*“Are you an ambitious and hands-on individual ideally with a passion for the Sports and Event industry looking to further your education, whilst beginning your career in the events industry?”*

CSP Ltd. are a leading Traffic and Event Service provider. We work in partnership with many of the leading sports and entertainment venues throughout the UK, providing a number of services including; internal and external traffic management, security & stewarding and crowd management services.

**About the role:**

- Are you excited by the prospect of working in a fast-paced, hands-on environment where no day is ever the same?
- Do you thrive in an environment where teamwork is an essential ingredient of success?
- Are you comfortable with a physical role, where you will be lifting and sorting equipment in a Warehouse environment?
- Are you able to prioritise your time and commit to studying for an NVQ?

*Then this is the role for you...*

**About you:**

We know what makes this job hard is conflicting priorities, maintaining a clean and organised Warehouse and dedicating time to study alongside a busy working week. You will be a multi-tasking, flexible person who learns quickly and gets satisfaction from supporting the most important side of our business. Aside from a full, clean UK Driving License and Math's and English GCSE grades A-C (or equivalent), no specific qualifications are necessary for this role, we just need you to be a confident, personable character who is committed to completing a qualification and learning on the job with CSP.

**Benefits include:**

It's important to us that all our people feel well catered for, which is why we are based on a modern business park with exclusive discounts available locally, company socials and plenty more! Add in a competitive annual leave package, dress-down Fridays, in-office charity events, and the abundance of cake and sweets (it's always someone's birthday), you can see that we want our people to feel good inside and out.
